DIARY NOTES

DD/S

10 November 1959

25X1A9a

1. I discussed with Gordon Stewart, and later with [REDACTED] the current status of the United Givers Fund Drive. I addressed letters to all DD/S Office and Staff Heads asking for a renewed effort on Thursday and Friday of this week.

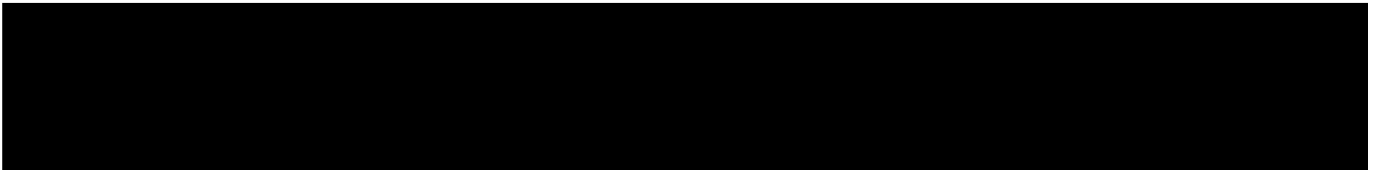

2. Ed Saunders reported that the Bureau of the Budget had discovered the fact that we had a Reserve in the Director's Office and that we may have difficulty in justifying it.

3 [REDACTED] Gates and I met with Bob Amory to discuss the appointment of a "feasibility team" to study electronic data processing in the DD/I Area. Bob agreed with the proposal as presented by John.
